Hello all!

I hope you have had a great week!

I am so happy the weather has cooled a little. A little less humidity feels great.

First, I want to use this bulletin to say a big thank you to all those who made our Summerfest at St. John a great success. There are very many people who worked very hard to make it happen, all the coordination, the cooking, the music, the vendors, the setup, the planning, the cleanup...and the list goes on and on. I am not going to thank folks by name because I will forget too many people...but if you worked hard you know it...and your joints are probably aching...but more importantly God knows it and is greatly pleased!!! He loves hard workers!!!

Thank you so much to all who worked so hard. I am very grateful that you are part of the parish and love it and offer yourself for it.

Second, I want to speak about volunteering in general.

Unfortunately in a parish, it is usually the case of the 80/20 rule when it comes to volunteering (as well as when it comes to tithing income)...that is to say, 20% of the people do 80% of the work (and 20% of the people give 80% of the money that keeps the lights on). In fact, I would argue sometimes it's more like the 90/10 rule!

At times, this can be discouraging to those who volunteer. For me, after an event like Summerfest, or after any of the other wonderful events we have in our parishes, I tend to think and dream of how amazing it would be if we could get 50% or even 75% of the people to volunteer. Can you imagine what great things we could accomplish for the Kingdom?!? And this is not simply in regards to social functions or fundraising efforts, but also pertains to teaching religious education to the youth, assisting with RCIA, helping maintain our buildings and grounds, or all the many other tasks that need to be done to maintain the piece of the Kingdom of God we have been given at St John and St Patrick and St Peter.

We have been given the care of God's home. We are responsible for these parishes and God wants to do amazing things through these places. But it takes work and commitment from everyone, not just a few.

Are families like this? I guess maybe some are...wherein some people work hard in the family and some people could probably do a little more. My parents both worked hard and demanded that we, their three children, work hard as well. I can't say I always felt like doing it, but my dad's belt encouraged me when needed.

Here at the parishes, we don't use belts. We simply ask for help and wait for God to put it into the hearts of people to volunteer to help. But the best part about assisting the parishes and God's house, is that it really feels wonderful to know you are serving God. Even when you get home and your bones are tired or you are only going to get a few hours of sleep that night, it feels great knowing you have served God from the depths of yourself.

Please pray about these things. If you volunteer a lot, thank you and I know that you understand what I mean when I talk about how great it feels. If you do not have a lot of time, but have the ability to support the parishes financially then that is just as important as well. So thank you for that (we have to pay the bills...). If you don't have time because you are taking care of a bunch of kids or a sick parent, well do not worry because you are doing exactly what God intends you to do. But, if you have time, and talent and treasure and are not offering it to God in the measure with which He has given you, then consider taking the next step. It is a cure for sadness, loneliness, and even many physical ailments will be alleviated by the grace God gives us when we put ourselves to work for Him. That's the way it works, we get in the flow of grace when we go to work for God and we get the benefit of experiencing the grace that flows through us to our parish.

Have a great week!!!

Congratulations to the winners of the raffle ticket drawing: at the Summer Fest.: \$500.00 to Stephanie Rouse, \$300.00 to R. H. White and \$200.00 to John Veach. And to Pauline Sorensen for selling the most tickets. Thank you to all who participated without you this would not have been a success. A complete report will be given later.

The ideal candidate for substitute teacher will have previous teaching experience or be currently enrolled in a teaching training course. A substitute needs to be available for occasional early morning calls to work; however, most dates are known in advance. Additionally, volunteers are needed from 3:30 to 4:30 pm to assist students with homework and remedial work in reading and math. If you are interested in either substituting or volunteering, please contact Principal Wanda Wallin at [804-329-7524](tel:804-329-7524) or via email at wwallin@allsaintsric.org.
