And it happened that, while [Jesus] was with them at table, he took bread, said the blessing, broke it, and gave it to them. With that their eyes were opened and they recognized him, but he vanished from their sight.

Happy Easter Every One!!! It's still Easter!!!

I hope everyone is still enjoying the graces of this wonderful season.

The last line of the second reading says: "your faith and hope are in God"

Our faith and our hope are very much the source of our happiness in life. We put our faith in things that we believe in, that we stand on, that we lean on in times of difficulty. We put our faith in our family because we believe they are there for us no matter what, or in our education that it will help us to navigate through our jobs, or in our elected leaders that will do what is best for us. And we put our hope in good things that we expect to happen in the future. We hope to be able to retire one day. We hope to stay healthy. We hope our kids make something of their lives.

But the second reading says that WE put our faith and hope "in God."

This means that because we are Christians, while we may have some more miniscule way of hoping in or having faith in those other previously mentioned items, ultimately we as Christians put our faith and hope primarily and most considerable "in God."

Why?

Because every one of those other things will eventually disappoint us. And I don't want my happiness to run out when those things go away. I don't want my happiness to go away if my family doesn't live up to what I want them to be, I don't want my happiness to go away if I cannot ever retire (priests never retire...) and I don't want my happiness to go away if my kids waste all my money in college and never graduate (I don't have kids but maybe you do). The point is that when we put our faith and hope "in God" rather than other things, we put it in a place that will NEVER NEVER NEVER let us down.

The disciples may have thought God let them down when Jesus was crucified, but in fact they were wrong. God proved Himself. God always proves Himself. And the person who puts his faith and hope "in God" is someone who does not want his happiness taken away.

Enjoy the season, it's a great blessing!!!

Fr Rossi

Statement by Bishop Francis X. DiLorenzo and Bishop Michael F. Burbidge on Governor's decision to commute sentence of Ivan Teleguz. We are all children of the same merciful, loving God, and he alone has dominion over all life. Because we have a profound respect for the sanctity of every human life, from its very beginning until natural death, we welcome with gratitude Governor Terry McAuliffe's decision today to commute the death sentence of Ivan Teleguz, 38. We continue to express deep sorrow and pray for all victims of violence and their loved ones. Likewise, we continue to pray for a change of heart and a spirit of remorse and conversion for all those who commit acts of violence. We ask God to give us all the grace to work together for justice, peace and respect for all life in our communities and our Commonwealth.
