Pastor message

For today's pastor message I want to speak directly to our Extraordinary Ministers of Holy Communion. These are the folks who assist with the distribution of Holy Communion each week. But I would like everyone to read this and be aware of these procedures so that if an incident should occur, you also know what to do.

At two of our parishes, we recently had incidents where the Precious Blood was spilled. It was an accident in both incidents. Nevertheless it is unfortunate and we want to limit the possibility of that occurring.

Why is it so important that we are so careful with every drop of the Precious Blood? Why is it important to be so careful with every crumb of the Body (the Consecrated Host)? Because every single tiny piece or drop contains the Real Presence, the Body, Blood, Soul and Divinity of Jesus Christ. Every Piece is God! It is more precious than diamonds. If I dropped a one carat diamond, I guarantee folks would be careful to get it and take care of it because of how much it's worth. Well the Eucharist is worth more, infinitely more.

So in light of this, a couple things:

First, please always be careful and focused when you distribute Holy Communion. Take your time. Pray about and think about what you are doing. It is the greatest privilege of your week.

Second, if your hands shake too much or you cannot walk up and down the stairs holding the chalice or the ciborium with the Hosts, then please consider if it is time for you to resign from your volunteering. I know this might be a hard decision for you but it is your responsibility to do what is right. You have to know when you are not able to do it anymore because of deteriorating health.

Third, if after all precautions have been taken and there is still an accident please do the following. If you drop the host, pick it up and consume it or bring it to the priest to consume or give to the person in line to consume. The spot where it is dropped should be washed with water after Mass. Please note the spot and tell the priest. The priest should clean the spot after Mass. If you spill the Precious Blood, use your purificator cloth to cover the spot. Ensure no one steps on the spot. Tell the priest and he will clean the spot with water after Mass. Instruct people to walk around the spot.

In addition to these items, if you are an extraordinary Minister of Holy Communion, please note the following items.

First, please know that you need to be sure that people consume the Host in front of you. DO NOT let them walk away with it. Follow them and ask for the host back or ask them to consume it. Mostly when they walk off with the host they are not Catholic or not sure what to do. But it is your responsibility to protect the Sacred Host.

Second, if someone comes up to receive from the chalice and their hands shake or they are a child, do not give them chalice, rather help them receive or take a sip by keeping one of your hands on the chalice. This will help them receive since your hand is on the chalice and can guide them and grab the chalice if they drop it.

Third, if you are an extraordinary minister of Holy Communion or a lector then YOU MUST BE A CATHOLIC IN GOOD STANDING. If you are divorced and civilly remarried, or if you were not married by a Catholic priest or Catholic Deacon in a Catholic Church, or if you are living with your girlfriend or boyfriend, or if in any other way you are not a Catholic in good standing you are not permitted to be an Extraordinary minister of Holy Communion. Please come and see me and we can work through your issue. But do not continue volunteering until we get your situation regularized in the Church.

If you have any questions about these items don't hesitate to ask. Thank you for your ministry and for ensuring our King is rightly respected and cared for who so humbly comes to us under the guise of simple bread and wine.

Fr Rossi

THANK YOU—GRACIAS

I want to say a big **THANK YOU** to all who came to the social hall and painted last week. It looks great! You saved us a big chunk of money. Really, really nice work. Thank you! If things go well with costs on our other projects we will look into replacing the floor in the social hall as well. It could use replacing. But don't worry my faithful volunteers, I will hire someone to do the work to replace the floor. Unless someone really wants to volunteer to do it???

Fuel & Hunger Grant awarded to St. Johns. We have received a grant in the amount of \$3,000.00 from diocesan "Fuel & Hunger Fund" program. This grant program is one of many supported by the Annual Bishops' Appeal. We are grateful that St. John's community outreach program supports Eastern Henrico FISH and is recognized by the diocese as a valuable service to those in need in our immediate area. Thank you to Bishop Knestout and also thank you to Sean Stewart and Lloyd Mercer for their service on the FISH board of directors, to all who bring food donations for FISH week after week and to those who volunteer their time at FISH.
