February 3, 2019 - Fourth Sunday in Ordinary Time  
3 de febrero de 2019 — Cuarto Domingo en Tiempo Ordinario

## 4th Sunday in Ordinary Time

He said to them, "Today this Scripture passage is fulfilled in your hearing." And all spoke highly of him and were amazed at the gracious words that came from his mouth. They also asked, "Isn't this the son of Joseph?" *Lk 4:21-22*

### Pastor message

For the pastor message today I want to tell you about a horrible, evil and awful thing that has occurred in New York.

In the state of New York they recently passed a law that made it possible to get an abortion all the way up to the moment of delivery. The law says that up until the second of being delivered you can abort (murder) a fully grown baby inside the womb. This is possibly the most wicked and evil thing I think I may ever have heard of happening in our government.

Can you imagine? A fully grown baby, fully alive, fully aware and functioning can be killed, dismembered, their skull crushed the second before the baby is delivered. Does this not disgust you? Do you not want to turn away from even hearing of such things? Well turning away will not stop it. Pretending like it doesn't happen won't stop it from happening.

And to make your stomach just a little more sick over this horrible and evil act, THE LAW WAS SIGNED INTO LAW BY A SUPPOSED CATHOLIC.

That's right folks, this cowardly act, this evil act, this sinful act, this disgusting and abhorrent act was signed into law by Governor Chris Cuomo of New York, who is Catholic.

How awful! I will repeat something that the local Bishop up there said. We as a nation do not even perform such atrocities to cats and dogs and yet we are now performing them on human fully grown babies. You would get arrested for torture if you did these things to a pregnant dog or cat!!! But you can legally do it to a human in New York!!!

Furthermore, in order to make it easier to commit these atrocities, they changed the law so that the person performing the murderous abortion doesn't even need to be a doctor! They changed the law so that any medical professional can perform these heinous acts.

The state government leaders upon passing this horrible law actually cheered in the state government building. And the catholic Governor ordered that the new World Trade Center building be lite up 'pink' to show his victory and celebrate their 'accomplishment.'

They are very bold in their sinful acts. It is a horrible thing to have occurred.

God have mercy. Such evil actions will have horrible and unimaginable consequences for the whole state of New York and our entire country.

Stay close to God. We need Him desperately.  
Fr Rossi

### ATTENTION

I have been approached by several parishioners to lead a Bereavement Group here at St. John's. A Bereavement group is very helpful and very therapeutic in working through death and dying of a loved one. If you have experience a death either in your family or know of someone who is dying; this group would be very helpful to you. This group will start on Thursday March 7 at 10:00am in the conference room and will continue for 8 weeks. The last session will be Thursday May 9 at 10:00am. All sessions will be on Thursdays at 10:00am. There will a signup sheet in the commons. If you have any questions please call Fr. Frank at 804-737-8028.

### World Day for Consecrated Life

God of all goodness, you have called people to follow you faithfully. Humans have heard that call and many choose to follow your call in varied and faith-filled lives. Some follow your call in private, silent lives as hermits; some choose to follow you with lives lived as virgins and widows; while others

choose public lives of vowed men and women as religious brothers and sisters.

Abundantly give to these men and women the courage to follow their call as witnesses to your gifts and faith and service to the world.

We ask this in faith through the name of Jesus our Savior.  
Amen.
