Happy Labor Day everyone!!!

I hope everyone gets a chance to relax and enjoy this wonderful weekend.

Did you know that you can only really appreciate relaxation if you know what it is like to work hard?

Isn't that amazing?

We as humans only know how wonderful it is to relax because (if) we know what it is like to work hard.

I know for myself after spending a day doing hard work, especially if I am helping someone out doing something physical and spending a whole day working in the hot sun, it feels sooooo good to relax in the evening.

But if I were to just lay around all day and do nothing, then I do not really appreciate the cool a/c inside in the evening and the chance to sit down and relax.

That is just the way it is for us. We love the opportunity to relax and appreciate it more, the harder we work.

I hope you are able to enjoy the Labor Day holiday, because I hope you are a person who works hard. If you are a person who works hard, there is a pretty good chance you are a generally content and happy person.

Work is a gift. And so is relaxing from work. But they go together and you have to have them both in order to be happy.

Fr Rossi

IMPORTANT ANNOUNCEMENT - I wanted to inform you of something very unfortunate that happened in one of our parishes. While cleaning the church, we found a host laying on the floor in the pews. It is likely that it was a consecrated host that someone walked back to their pew with and threw on the floor. This is a sacrilege and if done willingly is grounds for excommunication from the Church. Desecration of the Blessed Sacrament is one of the worst offences that can be committed because it is an offence against the Real Presence of Jesus Christ. I pray it was simply an accident and maybe a child who did not know what they were doing. A couple things: **PARENTS** need to watch their children to be sure they are consuming the host and that they do not try to receive Holy Communion unless they have had their First Holy Communion. **EXTRAORDINARY MINISTERS OF HOLY COMMUNION** - if you are privileged enough to be able to help with the distribution of Holy Communion, then you need to observe every single person who comes up for Communion to be sure they consume the Host in front of you. No one is ever permitted to walk off with the Host. If they do, you need to stop them and ask them to either return the Host to you or consume it in front of you. I do this regularly and you need to as well if you want to have the honored responsibility of distributing Holy Communion. **ALL PARISHIONERS** - if you see someone walking away with a Host or someone in the pew with a Host then you need to say something to them. Do not be ashamed. Or walk up to the priest at that moment (not at the end of Mass) and tell the priest so he can deal with it. We must take it extremely seriously to care for and protect the Blessed Sacrament and it is everyone's responsibility. Thank you - Fr Rossi

From all of us to all of you!!

Wishing all a safe and blessed holiday
