

St. John Catholic Church

Est. 1917

Hello, All Beautiful And Loved And Missed Parishioners!

We miss you and HAPPY EASTER!!!

No matter what is going on in your life right now, I have some very good news, possibly the best news: Jesus Christ has cured the coronavirus. Isn't that amazing?!?! What that means is that you do not have to be afraid anymore.

Jesus died and rose from the dead, He conquered death, sickness, poverty, stress, injustice and every other kind of evil you can ever face or will ever face in your life!!! Even the coronavirus!!!

So it is a great day! Rejoice on this day. I say it again rejoice. Just enjoy what He is giving us and say "thank You" and "I love You." God loves when you tell Him 'I love You.'

I wanted to let remind you of a few important things.

First, tune in to our livestream Mass every week. 1045am in English and 1215pm in Spanish. Just click this link. <https://tinyurl.com/rqo7l8d> (you do not need to have facebook to watch the Mass).

Second, please let us know if you need anything spiritual (Confession, Anointing of the Sick, etc.) or material (food, help with a bill, etc). We are still here for you.

Third, as you are able please continue to send in your normal weekly financial offering to the parish. You can go on the parish website and click the logo "E-giving" which makes giving very easy, or you can just mail in a check. We are feeding hundreds of homeless and poor in the city each week, with numbers and needs growing each week, we are still providing spiritual care for those in need, and we are taking care of our parishes, so they are clean and disinfected when you come back. So please continue to support your parish!

Finally, know that your priests offer Mass for you and for the whole world every day. It is the most powerful pray on the face of the earth and it is offered every single day for YOU!

Looking forward to seeing you soon. It will not be too much longer, and these current problems will be a distant memory. I promise!

Fr Rossi
