From the Desk of the Administrator

My Dear Friends, so soon we have begun the month of February also known as the "**month of love**," emphasizing the importance of love in our lives, since it fosters relationships with the family (where love is natured), friends and others.

The month is as well dedicated to the Holy Family in a special devotion to Joseph, Mary and Jesus as the model of virtues for all Christian households. Remember that the virtue of patience with the family brings love always.

May this month bring you and your family more love, beautiful blessings and faithful dreams leading you all closer to God.

Stay Safe.

Fr. Maxwell

Happy Birthday

What is a Synod?

That is a question many have likely been asking themselves often since Pope Francis called for the World Synod of Bishops to take place in October 2023.

The word **SYNOD** comes from the Greek, meaning common road. A synod is a gathering of bishops for specific kinds of issues. Synods are meant to be consultative, to be able to hear from those who are participating in the life of the Church.

Pope Francis has asked that the Synod of Bishops in 2023 would be about synodality, or how we as disciples are journeying together to reflect on and respond to the Holy Spirit's call to us. **The synod's theme is "communion, participation and mission."**

A synod is Pope Francis's way of listening to all people, especially those on the margins.

In the next couple weeks St. John Parish will ask you for your participation in the synod. We will share more details soon.
