From the Desk of the Administrator

Dear Parishioners,

Today, Christians throughout the world are celebrating Easter Sunday, the resurrection event of Jesus as the most factual recorded singular event in the world that has shaped human history so much that it is very well elaborated in the New Testament (Lk.24, Mt. 28: 1-15, Mk. 16:1-14, Jn. 20:1-29), to prove the power of God beyond all measures. Without the crucifixion, there wouldn't have been any resurrection; they are both a *historical* event and a *faith* event. Jesus rose triumphantly from the dead on the third day after His Crucifixion and by that has unlocked for us the path to eternity. The celebration of Easter is a call for us to change and perhaps change radically from bad to good because the Jesus who was crucified on the cross, dead and buried but rose from the dead on the third day, has given us new life from the forces of injustice, violence, oppression, hatred, deceit, selfishness, envy, wickedness, discrimination, arrogance etc. As such, all Christians are welcomed to share in this divine life, a life of peace, harmony and serenity pointing to the signs of the fruits of our good works and deeds indicating our witnessing to Christ's resurrection in this present age.

May the resurrected Christ reign in the hearts and in the homes of all families, so that where there is division and confusion, unity is sowed, and where there is darkness the light of Christ shines.

Happy Easter to all Parishioners of St. Peter, St Patrick and St. John.

The Administrator.
