From the Pastor's Desk

Dear people of God, apart from the blessed Virgin Mary, the universal church undoubtedly owes a special gratitude and reverence to St. Joseph her husband, whose solemnity falls on March 19 every year, but has been moved liturgically to Monday March 20 this year.

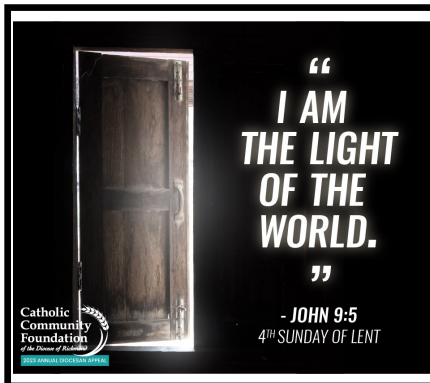

What lessons can we learn from Joseph's life?

- he was simply the legal earthly father figure of Jesus, righteous and faithful, who showed incredible trust in God even when it didn't make sense at all to him.
- he had a kind and gentle approach to issues (cf Mt. 1:18-19)
- he was an ordinary man who God relied on to do great things
- he was a trustworthy guardian, provider and protector to the holy family (cf. Mt. 2:13-14;19-21)
- he listened in silence to God's word and acted upon it obediently all the time. Therefore, his actions spoke louder than his words.
- his life teaches what it means to be compassionate and caring to others.
- again, he teaches us that contemplative and active life must be blended and harmonized in service to others.
- he is declared the patron, model and inspirer to fathers, families, the universal family of God, the church, and all workers especially carpenters.

As the church commemorates him today, let us ask him to intercede for all our needs, since Jesus the Lord will never refuse the man who took the place of His Father in heaven, and bore the name of father by fulfilling his fatherly role creditably on earth to raise him as his own child as a carpenter's son.

Praised be Jesus Christ!

Fr. Maxwell

Annual Diocesan Appeal 2023 Sharing His Love with Others

Please support our Annual Diocesan Appeal so that we can facilitate our neighborhood encountering the light of Christ here, in our parish. After healing the blind man in today's Gospel, Jesus also revealed his nature to him as the Son of God, and the formerly blind man worshiped. Jesus hungers to guide all into true worship, worship that will make us all whole. Please help us make that happen!

WANTED TOOLS FOR CLUSTER COMMUNITY GARDEN

Do you have "retired garden tools" taking up space and collecting dust? If so, our Cluster Community Garden ministry would love to have them and put them to use. We are accepting hand tools, hoes, rakes, shovel (all sizes), watering cans and the like. You may bring them to church and put in the Conference Room (1st room to the left as you enter the west side of the church.)

Also, some parishioners have asked about giving monetary donations to help support our garden's construction. Please put your donation of cash or check into an envelope marked on the outside: **FOR CLUSTER COMMUNITY GARDEN** and include it in the weekend collection. We thank you for your most generous help in "cultivating" our new cluster ministry!!!
